Engage2Excel Earns Ranking for the Seventh Time on 2018 Baker's Dozen List for Recognition Providers

STATESVILLE, N.C., July 31, 2018 – Engage2Excel, Inc. a leading provider of recruitment, employee engagement, and recognition services in the HR industry, has earned a spot among the top recognition providers in HRO Today's 2018 Baker's Dozen Recognition Providers Ratings. This ranking marks the seventh time the company has made the list.

“As employee recognition continues to be a top priority in today's organizations, so does choosing the right provider. We are humbled knowing that our client relationships reflect making this list year after year,” said Phil Stewart, Engage2Excel's CEO.

As a benchmark for recognition provider differentiation, HRO Today's Baker's Dozen rankings are an important measure of customer satisfaction. It also serves as a reminder for providers to continuously raise the bar in the quality, services and value they offer clients.

The results are based on survey feedback from buyers of the rated services. The data is analyzed to determine the rankings and the overall score, and individual scores are calculated for three categories – service breadth, deal sizes and quality.

“Engage2Excel's continued recognition on the Baker's Dozen list celebrates our team's ability to develop and implement innovative solutions for our clients, all while providing the high level of customer service they expect,” says Stewart. “We thank our clients for helping us earn another spot on the list and for continuing to be partners in the quest to deliver an exceptional employee experience.”
