

Engage2Excel’s Kitty Corral began in 2018 to bring awareness & recognition to cat adoption. We are in the human resources management field and often hear that “HR is like herding cats,” so our initiative is very fitting! Kitty Corral has become a fun addition to the HR events we attend, drawing many cat lovers (and dog lovers, too!) for a hug, snuggle or squeeze from an adorable kitten.

The local organization we partner with receives the well-deserved awareness they need and a generous donation to their great cause!

To learn more about Kitty Corral or to be a local partner at one of our events email us at: info@engage2excel.com
