EMPLOYEE GIFTING MADE EASY

A black Engage2Excel backpack is the central focus, resting on a light-colored, modern armchair with a black metal frame. The backpack features the brand name 'Engage2Excel' in white text. A pair of blue sunglasses is clipped to the top, and a coiled black cable is attached to the front. A light-colored, textured throw blanket is draped over the back of the chair. In the foreground, a pair of white sneakers sits on a polished wooden floor. The background shows a bright, minimalist interior with white shelves holding a potted plant and a woven basket, and large glass doors leading outside.

Show your appreciation to employees or other stakeholders in your organization with customized gifts, branded swag or holiday gifts. We offer a great selection – for any budget or occasion!

A collection of Engage2Excel bath products is displayed on a light-colored wooden tray. The items include a bamboo brush with a wooden handle and a circular head, a loofah, a soap dish with a marble top and a wooden base, a soap bar, a soap bag with the Engage2Excel logo, and a soap suds dispenser. The tray is set on a white marble surface, with greenery and a small potted plant in the background.

Pricing is a guide and may vary depending on final quantity and decoration method. For the most accurate pricing please contact your Engage2Excel representative or contact us at gifting@engage2excel.com

Redefine

“Redefine” is about sustainability. It’s about repurposing, reconstructing and redefining the way we live and the products we use in more eco-friendly and socially conscious ways.

Selecting a gift that reflects sustainability and social responsibility carries meaning and demonstrates values.

NEW RETAIL BRAND: FEED

Every FEED product provides school meals to children — sometimes their only meal that day. Since 2007, FEED has helped provide over 126 million school meals, working with three partners and in over 20 countries — that translates to over \$14 million in support. Durable and classic, FEED bags are crafted from 100% GOTS certified organic cotton and designed to be kept in rotation and out of landfills.
