**Engage2Excel Recruitment Solutions Earns Ranking
on HRO Today 2018 RPO Baker's Dozen Overall Enterprise Leaders List**

STATESVILLE, N.C., September 18, 2018 – Engage2Excel Recruitment Solutions, a division of Engage2Excel and an innovator in recruiting and onboarding solutions, is pleased to announce the company's ninth consecutive listing on HRO Today 2018 Customer Satisfaction Ratings: Recruitment Process Outsourcing (RPO) Providers List. This year marks their first appearance on the Overall Enterprise Leader list. In previous years they were listed as Decision Toolbox under the RPO Baker's Dozen Midsize Providers List.

"Being named to the HRO Today Baker's Dozen list for nine consecutive years is a testament to our team and their ability to provide our clients with exceptional quality of service every day," said Darren Findley, Engage2Excel Recruitment Solutions' president. "We are proud to be named to the list once again and make our debut on the Enterprise list, but beyond that, we're thankful our clients have trusted us with their most valuable asset: their people."

As a benchmark for RPO provider differentiation, HRO Today's Baker's Dozen rankings are a clear view of the activity throughout the RPO industry. The results are based on survey feedback from buyers of the rated services. The data is analyzed to determine the rankings and the overall score, and individual scores are calculated for three categories – size of deal, as well as breadth and quality of service.

"Congratulations to Engage2Excel RPO Solutions on making the HRO Today Magazine RPO Customer Satisfaction Survey list of Enterprise RPO providers for the first time in its history. Their portfolio has undergone substantial growth and offers clients significant sophistication. This division which was previously known as Decision Toolbox has benefited from the investment and the experience of the new leadership team and offers broad solutions, excellent service and an industry-leading philosophy of marrying hiring and retention programs," according to Elliot Clark, CEO of HRO Today Magazine.

"Engage2Excel Recruitment Solutions is committed to innovation, continued agile partnerships and global growth," says Findley. "We strive to transform the way organizations attract, hire and retain talent by creating extraordinary experiences for both clients and candidates in the talent acquisition process."
