A woman with long dark hair, wearing a dark blue turtleneck, is sitting on a white couch. She is smiling and holding a small card in her right hand. The card has a blue and green patterned border and text that reads: "Most people say 'Thanks.' We prefer to send it. Enjoy your gift! Engage2Excel". The card is being held up in front of an open white box. The box has the 'Engage2Excel' logo on the inside of the lid and on the side. The box is filled with brown tissue paper. The background is a bright, modern interior with a white door and a window. There are decorative white line art patterns in the top right and bottom left corners of the image.
